Weight

2-10 lb

15 lb

20 lb

30 lb

40 lb

60 lb

Cups

1-3 tbsps

1/4 c.

1/3 c.

1/2 c.

2/3 c.

1 c.

Twice a day

Dry Food. Nothing Added.

Look at this: johnsonvet.com/picky

Lean meat is okay, but NOT on food.

Vegetables are okay, EXCEPT corn, limas, peas and potato. NOT on the food.

Being a brat, and "Not eating" plain dry food is a Good Thing for fat dogs. Think about it.

Key: Use an actual kitchen measuring cup, not a "scoop"
